VIA : Chief, SR/Support Staff

SUBJECT : Amendment to Covert Security Approvals for SR Contract Personnel

1. In a discussion held on 17 March 1964 between SR/C/AC and RD/SOB, it was agreed that SR would make available to RD/SOB seven contract employees for use in the summer training of ASHROF agents in an exercise scheduled 2 August through 15 August 1964. These personnel would be used as principal agents, cut-outs, and informants in a clandestine operations field exercise. Both the SR contract personnel and the ASHROF agents will operate in alias; however, the agents will be personally exposed to the contract employees. SOB indicated that they did not object to this relationship. The participation of the contract personnel, who are of Soviet background and will make all contacts in Russian, will be beneficial to the advancement of the agents' training.

2. The following is a list of the names of the SR Contract Personnel who will participate in this training exercise:
